ABOUT US

Welcome to CreativeGrounds, a provider of boutique private offices. Our sophisticated offices are located in the prestigious Amsterdam Oud-Zuid district.

We provide tailor made offices with high-end interior design, modern meeting rooms, well-equipped kitchens, conveniently located pantry points on every floor, and spacious gardens bathed in sunlight.

We understand that every business is unique, which is why we offer customizable office solutions to suit your specific requirements. From short term contracts to flexible options to scale up or down as your business evolves.

Furthermore, we provide all the necessary amenities and facilities for a seamless and comfortable work experience.

'The office you occupy reflects the type of company you run. Our properties are located in Oud-Zuid for a reason. They are beautiful villas, not massive buildings. With us, you won't experience a workplace factory with fluorescent lights and carpet, but rather an intimate, boutique atmosphere'
